

Ways to Get Involved and Support Foothill Christian School

Many of our families, over the years, have played integral roles in the success of our school. Without their help, much of what has been accomplished could not have been possible. That's why we place such high value on gifts of time, talent and resource from parents, grandparents, family members and friends.

As you enroll your child at FCS, we want you to know that there is also an important place for YOU, as well.

It would be our pleasure to provide you with more information about volunteer and support opportunities at FCS. Whether you help in a classroom, swing a club at our golf tournament or work a booth at the Spring Jog-A-Thon, there are plenty of ways to get involved and make a difference.

Please take a minute to review the boxes below and select the areas that interest you and return to the office with your registration documents.
