## Parent Volunteer Application 2009-2010

Thank you for your interest in serving as a parent volunteer. At Foothill Christian, parents are valued just as much as the students. We greatly appreciate your desire to help make Foothill a better place for our children. As our world and society changes we stand firm on a foundation that was built 45 years ago. Without wavering in our faith, we have stayed abreast of the changing times in areas of technology, curriculum and teaching methods. However, we could not have done this without the help of dedicated volunteers. Your generous contribution of your time, talent and resources will help us train our children to reach new heights and excel as never before.
