

FOOTHILL CHRISTIAN SCHOOL'S

Purchase and User Agreement Policies

For 1-to-1 iPad Program

Foothill Christian School recognizes the value of technology resources to enhance the educational experience of its students. Today, computers, iPads and various technologies are the essential tools required for success. It is critical that students have a computer device to engage in a tech-rich learning environment enabling them to research, learn, collaborate, create, and publish. So, FCS is adopting a 1:1 iPad program for all middle school students beginning next school year (August 2022).

PURCHASE AGREEMENT

Junior high students must have an iPad in order to function in an FCS classroom. Families must purchase an iPad, a protective case and the extended warranty through the school's purchasing program. There are no "opt out" provisions. The cost of the iPad and ancillary products will be added to your account. Parents have a variety of payment options. ***Students, upon graduation, become the official owners of the iPad.*** Any student who moves away after the first year or withdraws from FCS may take their iPad with them, as long as all purchase payments have been made.

Parents must sign the iPad Purchase and User Agreement upon enrollment.

iPad Costs

Apple Education Pricing Total = \$472, includes iPad, a protective case and the extended Apple Care warranty.

This is a one-time only purchase, not an annual fee. Parents have a few payment plan options, including a 10-month plan which spreads the cost over the course of the entire year.

Opt Out

Junior high students at Foothill Christian School are not allowed to opt out of the iPad program. Many of the learning activities in the classroom require use of the iPad. When planning, teachers consider ways technology can enhance the learning experience for students.
