

FOOTHILL CHRISTIAN SCHOOL'S
iPad Purchase and User Agreement

PURCHASE INFORMATION

Junior high students must have an iPad in order to participate in an FCS classroom. Families must purchase the iPad, Logitech rugged keyboard and case, and the extended warranty through the school's purchasing program. There are no "opt out" provisions. The cost will be added to your financial account. Parents have a variety of payment options from which to choose. ***Students, upon graduation, become the official owners of the iPads.***

If lost, parents are responsible to pay the full price for a replacement iPad, case and warranty. Families are financially responsible for any and all damages for their child's assigned iPad not covered by the warranty. iPads must not be repaired outside of FCS because any non-Apple repairs will void the Apple contract.
