

APPLICATION & ENROLLMENT FEES

New Student Application	\$90
Student Enrollment Fee	\$445 until 4/22 (\$495 after 9PM 4/22)
FACTS Enrollment Fee*	\$50/Family

*Foothill Christian is now using the FACTS Management Company to process all application and enrollment fees, school tuition, and child care payments. All families are required to set up a FACTS financial account during the school enrollment process. There will be a \$50 FACTS Enrollment Fee per family (not per child) for all trimester and monthly tuition plans.
Rates may be subject to change

NOTE: All application forms, enrollment forms and fees are non-refundable and must be submitted online. New students must submit copies of their last report card and most recent achievement test scores to the office within one week of submitting their application. Proper immunization forms must be emailed or delivered to the office before a student can officially be enrolled.

Monthly Payment Options:	\$235 per month (10 months: August - May)
	\$214 per month (11 months: July – May)
	\$196 per month (12 months: June – May)

Occasional Use Child Care - The option to use before and after school child care is available to families who are not on a designated child care plan. Occasional Use rates are \$3.75 per 15 minute increment. Families must pre-load money onto their "Occasional Use" account in their FACTS financial portal. Costs, when used, will be automatically deducted from the family's pre-paid Occasional Use account. (Our policy allows a 30 minute grace period before school and 20 minutes grace after school without incurring occasional use charges.)

Holiday Rate – A reservation form will be provided (during the school year) to sign-up for non-school days and holiday child care. The rate, for those not enrolled in the All-Inclusive Plan, is \$50.00 per day. Reservation forms turned in after the due date will be charged an additional \$10 per day. All charges will be added to the family's financial account in the FACTS financial portal.

All child care plan payments are made through the FACTS tuition collection service according to the payment schedule selected by each family.

FREQUENTLY ASKED QUESTIONS

Does my child need to be tested?

All new students will be tested to assess academic progress and enrollment eligibility. New students must submit copies of their last report card and most recent achievement test scores within one week of submitting their online application. Testing is by appointment only and will be arranged by the Director of Admissions. Families will be notified of their admission status within a few weeks of their entrance testing. Students accepted into FCS will be invited to complete their online enrollment.

Are there additional fees other than tuition that will be required?

One of the nice things about our tuition is that it covers the cost of all required programs. There are no extra costs for field trips, yearbooks, Science camps, course materials or technology fees. It's all included!

EXCEPTION: 6th and 7th graders are required to purchase an iPad through the school's iPad Purchase Plan.

How do I pay my tuition?

FCS utilizes FACTS tuition collection services. Families may choose to pay tuition and child care plans on an annual, trimester or monthly basis.

Is there a discount if I pay the entire yearly tuition in advance?

No discount is given for annual tuition paid in full, however the fee to enroll into the FACTS tuition payment program is waived.

Are there discounts for additional children?

Tuition rates are set on a per pupil cost, so there are no discounts for siblings who attend the school or preschool.

If it is necessary to withdraw my child from school is the tuition prorated?

Children are considered enrolled by contract for the entire year. If a student withdraws for any reason, the **charges are prorated on a trimester basis**. The school will not require payment for the entire year, but families must pay for the entire trimester in which the child has attended. No deductions will be made for tuition or child care absences during the school year, regardless of the cause of such absence. All withdrawals, whether before the school year begins or during the year, must be made **in writing** and shall be effective when such notice is delivered to the school.

Are there tuition reductions for vacations, holidays or Covid disruptions?

Tuition and childcare charges are calculated on the basis of the entire school year; no reductions can be made for vacations, holidays or Covid disruptions.

How early can I drop my child off and/or how late can I pick my child up without incurring a fee?

Families have a thirty minute grace period before school begins and a twenty minute grace period after dismissal to drop off/pick up their child without incurring occasional use child care fees.

If I enroll my child in the prepaid child care program, can changes be made?

If you need to change your child's pre-selected childcare plan or withdraw from the child care program, the rate will be prorated on a trimester basis according to the plan selected and time used. All changes require a 5-day advance notice. There is no charge for the first change in a childcare plan. Additional changes will incur a \$20.00 service charge.

If we only need child care occasionally how do we pay?

Families not on a pre-paid child care plan will be charged for the time their child is clocked-in before or after school. Our policy allows a 30 minute grace period before school and 20 minutes grace after school without incurring occasional use charges. Occasional Use rates are \$3.75 per 15 minute increment. Families must pre-load money onto their "Occasional Use" account in their FACTS financial portal. The computerized check-in/out system applies the charges to a prepaid "Occasional Use" account in FACTS.

Are we expected to participate in any fundraisers?

Fundraisers are necessary to help us upgrade our campus and improve our programs. The school cannot achieve everything on tuition alone. We do not sell candy bars or have catalog sales. We simply ask every family to give a donation or monthly pledge to support our Annual Fund Campaign. We don't dictate how much a family should give, but we expect every family to contribute. In addition, the spring Fun Run and annual Golf Tournament are fun events that build community and generate additional funds for the school.
