Fall Commitment Form

Must be completed before August 7 at 3pm.

Waiver of Liability

Must be completed before returning to school.

NEW Falcon Fan Gear (for students *AND* parents) will be available at Red Dot Uniforms!

FCS Makes Bold Move with Adoption of New Athletic Brand!

FCS announces they have adopted a new athletic mascot! The sports teams will now be known as the "Foothill Falcons."

The school has been identified as the Eagles from its founding in 1964, but coaches and athletes have been pushing for a change in recent years. A key factor for the switch was due to a large number of schools in the San Gabriel Valley Christian Sports League having the very same mascot. Seven out of the ten schools in the league are also known as the Eagles and Foothill was looking to separate itself from the pack.

The change was not easy to accept for some people including school superintendent, Mr. G. "We have always been the Eagles and I was having a hard time envisioning us as anything else." However, the administration let the middle school students and faculty vote on the issue. The results were overwhelmingly in favor of the change.

Foothill Falcons has a nice alliteration. Falcons are the fastest animal on the planet. They can fly upwards of 200 mph when diving for their prey. The athletes, who are perennial league champions and contenders, liked the idea that a falcon is at the top of the food chain.

The athletic brand features its very own, uniquely designed logo, mascot, and lettering. The school is rolling out new athletic apparel and fan gear which are available at the Red Dot Uniform company.

Go Falcons!
