

A Word from Mr. G + Announcements

Hi Foothill Families,

We hope this email finds you doing well.

Each week we will be sending out two devotionals and communication pieces to keep you informed about new things happening with distance learning and weekly announcements. Please make sure to read each one to remain informed!

Thursday's topic will be about tuition.

Today, I wanted to encourage you with a thought about how God knows everything about you, how much he values you, and how he protects and watches over you. He works everything together for His glory and your benefit. Click on the video [HERE](#) to hear more!

Thanks for tuning in,
