The students chosen to perform at the final event will be required to attend a dress rehearsal on Wednesday, October 10th between the hours of 5:00-8:00pm. (Time slots will be assigned at a later date.)

Audition Guidelines: Please read carefully so that they are not disqualified before or at the audition.

1. Each auditioning student must have a permission slip submitted to the office by the deadline. (If there are several students in the group, they each need a separate form but they should be stapled together as a group)
2. Copy of music track (if applicable) and lyrics must be submitted with permission slip prior to audition (no suggestive lyrics)
3. Acts must be **two minutes or less**
4. No lip-syncing! Singers must perform to a backing track or karaoke version of song or provide their own accompanist. They may not sing along with a vocal track, only an accompaniment track. You can find almost anything online (youtube) without the vocals.
5. Students may wear special costumes to the audition. (Costumes must be appropriate and comply with school standards.) If they are performing in regular attire for the show, then school uniforms are fine for the audition.
6. Full act must be performed at audition. Nothing may be changed or added after the act has been selected to perform for the showcase.
7. K-5 students must have an adult chaperone responsible for them at the audition, unless they are checked into childcare.
8. Performers will be chosen based on talent, preparedness and entertainment value. Please do not come to the audition unprepared.
