

FOOTHILL
CHRISTIAN PRESCHOOL

Urgent Announcement: Preschool to Close

AS OF 3/16/20 at 2:00 PM

Dear Foothill Christian Preschool Families,

*Effective **TOMORROW***, FCPS will be temporarily closing both preschools (Rt. 66 and Half-Day programs) through March 31st. We are scheduled to re-open on Wednesday, April 1st. The decision was made from the abundance of caution being exercised by schools throughout Los Angeles County and the entire country.

What Changed Since Last Friday?

On Friday, several schools throughout our region announced temporary school closures including Foothill Christian School. At that time, we chose to keep the preschool open due to the essential service it provides our families. However, things kept changing incredibly fast over the weekend. The idea to create social distance and limit exposure to others gained momentum. As more and more cases were reported state and local officials mandated closures of restaurants, hotels and other businesses.

The idea to isolate and self-quarantine is designed to flatten the statistical curve. It all makes sense, even though it creates hardships on individuals, families, and employers. We understand the challenge and pray that is short lived.

The preschool office will be officially closed but our office staff will still be answering emails and facilitating admissions papers, etc.

Let's all keep praying and trusting God in this very difficult circumstance.

We will stay in touch along the way.

Sincerely,

--
