PRESCHOOL ANNOUNCEMENTS

AS OF 4/13/20

Dear Foothill Christian Preschool Parents,

I hope this message finds you and your family safe and healthy during this difficult time. Due to the CDC guidelines and LA County's extension of the Safer at Home mandate, we will now change our reopen date to Monday, June 1st. This begins our official Summer session. We will contact you in May to let you know your child's teacher and our summer calendar. We have canceled all field trips for the summer and will follow CDC recommendations for keeping the students safe while at school. *More details about our health and safety protocols will be provided closer to our reopen date.*

As you know FCP is a nonprofit preschool dedicated to the care and education of your child. As a nonprofit, our budget is tight in the best of times, and the current public health crisis will have a severe impact on our business and our staff. Our staff is our greatest asset and the backbone of our preschool. Now, due to circumstances beyond anyone's control, the struggle to pay our employees is extremely problematic, especially since we are not collecting *any* tuition income for April *and* May.

How You Can Help:

We are currently asking for donations in lieu of the tuition you would normally be paying right now from our families who are able to afford it. 100% of your donation will be used to pay our teachers during this forced closure. We understand not everyone will be able to give, but many can and your generosity at a time like this is deeply appreciated. Your donation is tax deductible, so we are happy to provide you with a receipt to include with your next tax return.
