Summer Safety Protocols

AS OF 5/12/20

Hello FCP Families!

We are excited to welcome you and start our summer program on June 1, 2020. We want to inform you about the new health and safety protocols that will be implemented, related to COVID-19, for the protection of our students and staff. These new protocols have been developed using the latest guidance and direction from the CDC (Centers for Disease Control) and CDPH (California Department of Public Health).

Below you will find the list of protocols that will answer some questions and, hopefully, assure you that we are making safety and hygiene a top priority!

Our new hours of operation for Summer 2020 are:

Route 66 Campus 7:00 AM – 5:30 PM

Half Day Campus 8:00 AM – 12:00 PM

If you have any questions please email us call us! Questions for the office or kitchen staff, should be handled over the phone, if possible.

Summer Safety Protocols

Thank you for your understanding and flexibility in this unprecedented season. We want you to know that we consider you and your little ones... family. We are here for you! We could have never imagined the challenges that we would be facing today, but one thing we are certain of is that we have a MIGHTY God who looks after His children and is always faithful. As believers in Jesus Christ, we are promised a new life covered under His protection in which nothing can separate us from His love (Romans 8:38-39). We rest assured knowing that no matter what hardships or challenges we face; God is our refuge and strength. He is our protector (Psalm 46:1)! We will get through this and rise up in the victory that He has already given us!

Please let us know how we can help you get through this time. We are here to encourage and

pray with you.

Sincerely,

--
